

# EMPOWERING PEOPLE, STRENGTHENING PURPOSE

October at **Translation Empire PK** was a month on **growth, care, and connection**. We concluded our **three-month CTP Training Programme**, where employees enhanced their communication, mentoring, and collaboration skills, followed by a closing ceremony celebrating participants with **Certificates of Completion** and a **Token of Appreciation** for the instructor.

We also **organised** a meaningful **Pinktober awareness event** in collaboration with **E-Shaafi**, led by **Dr. Maria**, focusing on **early detection, self-examination**, and preventive care, along with a **Q&A** and **free consultations**. Throughout the month, we recognised key **international days** — World Mental Health Day, World Polio Day, and the International Day for the Eradication of Poverty — reinforcing our **commitment to empathy**, social responsibility, and community well-being.

## A Journey of Growth and Gratitude

# CTP TRAINING PROGRAM

October marked the conclusion of our **Certified Training Professionals (CTP) program**— a transformative, **three-month professional development** initiative designed to enhance **employee expertise** and **leadership** in the workplace.

Over the **past three months**, participants engaged in **interactive sessions** built on the Foundations of **Adult Learning**, focusing on **communication**, **mentoring**, and **knowledge-sharing**. The programme strengthened **professional competencies** while encouraging a culture of **collaboration** and **continuous learning** across departments.

**The closing ceremony celebrated both achievement and growth:**

**Certificates of Completion were presented to all participants**

**The program organizers were given a Token of Appreciation for their help**

**Translation Empire PK's** ongoing mission is to **invest in people** and **help them learn** through structured, long-term development. The **CTP initiative** is a part of this mission.

# HERE'S WHAT ATTENDEES SHARED ABOUT THEIR CTP EXPERIENCE:

*It was an absolute pleasure being part of your class! Your enthusiasm and teaching style made each session engaging and memorable. Thank you for being such an inspiring trainer — we truly enjoyed every session. Your guidance, energy, and support made learning a wonderful experience*

**- Mahnoor Rasheed**  
HR Assistant

*I would like to express my sincere gratitude to Sir Nasir for the wonderful and well-learned training experience. His engaging style made learning both enjoyable and meaningful. I walked away not only with new skills but also with renewed motivation and confidence. Thank you for inspiring me*

**- Mahnoor Ejaz**  
HR Assistant

Raising Awareness, Inspiring Action

# PINKTOBER

In observance of **Breast Cancer Awareness Month**, Translation Empire PK organized a special **Pinktober event** in collaboration with **E-Shaafi**. The event featured an **informative** and **interactive seminar** led by **Dr. Maria**, who shed light on the importance of **early detection**, **self-examination**, and **preventive care**. Her session provided **attendees** with **valuable insights** into maintaining **long-term health** and the significance of **regular screenings**, followed by an engaging **Q&A session** where employees asked questions and received **practical advice** on managing wellness and identifying **early warning signs**.

To make the session even more impactful, **Certificates of Attendance** were awarded to all participants, and **free health consultations** along with **one-on-one sessions** with **Dr. Maria** were offered. This **Pinktober initiative** reaffirmed Translation Empire PK's belief in fostering a **culture of care and awareness**, ensuring that **health and well-being** remain as much a priority as **professional excellence**.

# SOME NOTABLE DAYS

Beyond our in-office events, **Translation Empire PK** also marked several **international awareness days** throughout October with dedicated posts and messages across our **social media platforms**, emphasizing **compassion, advocacy, and unity**.

## WORLD MENTAL HEALTH DAY

We encouraged **open dialogue** and **empathy**, especially in the work place, **reminding our community** that well-being begins with **understanding** and **support**.

## WORLD POLIO DAY

We joined the **global effort** to reaffirm that a **world free from polio** is within reach. Every **child deserves** the **power of protection**.

## INTERNATIONAL DAY FOR THE ERADICATION OF POVERTY

We reflected on the importance of **equality** and **compassion, values** that inspire our CSR initiatives and **community engagement**.

October was a month of **empowerment, awareness, and reflection**, from professional development under the **CTP Programme** to health advocacy through **Pinktober** and **global observance** days that remind us of our shared humanity.

This was another month of working towards our **envisioned goal** of **fostering connection, compassion, and excellence**.
