

# SHAPING FUTURES CELEBRATING VOICES

At **Translation Empire** PK, **November** was a month dedicated to involvement, reflection, and meaningful conversations. This month, we strengthened our commitment to people, purpose, and progress by **meeting** with **future professionals** at top colleges and celebrating ideas, identity, and expression through worldwide observation days.

**November** bought **opportunities** to explore externally and in our own circles simultaneously. As we worked with **students** and rising talent around Pakistan, we also made time for reflection, dialogue, and shared ideas within our own group. This month's initiatives showed our commitment to empowering voices and creating shared futures.

## Shaping Futures Through Campus Engagement

# RIPHAH UNIVERSITY JOB FAIR 2025 & COMSATS INDUSTRIAL CONNECT FALL '25

This month, **Translation Empire PK** happily took part in two important career engagement events: the **Riphah University Job Fair 2025** and the **COMSATS Industrial Connect Fall '25**. These channels enabled us to engage with aspiring professionals, share insights into career paths, and highlight opportunities inside the business.

Our presence at both events was distinguished by meaningful talks with students eager to learn about the **language services** sector, **professional development**, and real-world **employment opportunities**. Alumni from **Translation Empire PK** proudly represented the organisation, **reconnecting** with **instructors** and engaging with students who were enthusiastic and curious.

The experience reinforced our dedication to developing new talent and connecting academia and industry.

# LIFE AT TRANSLATION EMPIRE

**November** illustrated that connection may take numerous forms, whether by engaging **future professionals**, reflecting on timeless poetry, or fostering open conversations. Every endeavour, whether online or offline, helps to foster a **workplace culture** in which voices are heard, viewpoints are appreciated, and growth is shared.

As we move forward, we will carry **November's** spirit of **engagement** and reflection with us. **Translation Empire PK** remains committed to shaping futures, celebrating diversity, and creating a workplace culture of **respect, opportunity, and shared purpose**.
